

Coaching Feedback

'Starting coaching felt like jumping off a cliff for me - now I'm asking Joy to work with my team!' Franchise Director, Transport for London

'Joy played a major part in my own personal development and gave me the self-confidence and conviction to lead the company out of a difficult post-merger period' MD, Leading Information provider

'If I had not had this coaching from Joy I don't think I would have convinced them to offer me this job' Project Director, leading Telco

'In the 10 months I have been coached by Joy I have become significantly more comfortable and confident in my role as CEO. Things are looking good. I am a lot calmer. I had an issue last week that would normally have had me ranting and raving but I was controlled' Chairman and CEO, Publishing

'I found that having coaching at a very testing time in my professional life was crucial and probably stopped me leaving' HR Manager, Global Marketing Data Provider

'Since working with Joy I am now able to deal with the frustrations of my role', Director, Transport planning

'I'm sure the coaching I have had with Joy has helped me manage my situation during a very difficult period' Manager, Transport for London

'Joy has helped me get more comfortable in self-promotion and I've developed a more inspirational way to lead. She's given me really useful tools and I'm noticing a difference in how I approach people and issues' Director, Aerospace Industry

'I am impressed by Joy's care for the fundamentals of coaching, the set-up, the relationship and wider context. In all respects I find Joy ethical, professional and practical' Consultant, Leading Business School

'I passed with flying colours, your help really made a difference' Director following success at the Partner assessment, global accounting firm

CONT.
